

This amendment is being filed to correct footnote 5 in the original filing to state: This option was reported as an option for 6,169 shares of QVCA at an exercise price of \$18.12 per share, which was adjusted as of 10/20/2014 as a result of the reattribution dividend described below. On 10/3/2014, the Issuer declared a dividend (the "reattribution dividend") payable to all holders of record of QVCA of 0.14217 of a share of Series A Liberty Ventures Common Stock ("LVNT") for each share of QVCA outstanding. The reporting person's equity awards relating to the Issuer's Liberty Interactive Common Stock (each an "Original Award") were adjusted pursuant to the anti-dilution provisions of the incentive plans under which the awards were granted, such that the reporting person received (i) an adjustment to the exercise price or base price, as applicable, and number of shares relating to the Original Award and (ii) an equity award relating to shares of the corresponding series of LVNT.

- (1)
- (2) The derivative security is fully vested.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
